PATTERSON JOINS BALDWIN & GREGG AS DIRECTOR OF SURVEYS

NORFOLK, Va— Eric S. Patterson, LS has joined Baldwin & Gregg, Ltd. as Director of Surveys.

Patterson, a licensed land surveyor in Virginia, comes to Baldwin & Gregg via Precision Measurements, Inc., WPL and the City of Norfolk Survey Department. He brings 20 years of experience in all aspects of land surveying and land development to our firm. Mr. Patterson is well versed in all aspects of surveying and is an expert in construction layout for large commercial projects, as well as resolving complex boundary surveys, ALTA surveys and topographic surveys for engineering design.

Baldwin & Gregg, Ltd is headquartered in Norfolk, Va and has specialized in providing a full range of survey services for every client since 1908.

###

He is a 1992 engineering graduate of Old Dominion University and has 20 years of surveying-related experience in the Tidewater area
