MMM DESIGN GROUP NAMES ASSOCIATES

Norfolk, Va—MMM Design Group is proud to announce that H. Dexter Casterlow, PE, Christopher G. McKnight, PE, and Karen M. Califano, CID, have been named Associates in the firm.

Casterlow has both a bachelor's and master's degree in civil engineering from North Carolina Agricultural and Technical State University in Greensboro, NC. He has 10 years of experience in structural design, safety inspections and project management. Casterlow is also an adjunct professor in Hampton University's Department of Architecture.

McKnight has a bachelor's degree in civil engineering from Old Dominion University, and has 10 years of experience in planning, design and construction administration. His experience includes both public and private sector work in stormwater, site development, utility projects and airport facilities.

Califano has a bachelor's degree in interior design from the University of Maryland, and has nearly 20 years of experience in planning, design and construction administration. She is skilled in programming, renovation of existing interiors and design of new interior spaces. Her experience encompasses a broad range of projects including commercial office planning, medical/health care institutional, judicial, and governmental.

MMM Design Group is a full-service architecture, engineering and planning firm headquartered in Norfolk. The firm's multi-disciplined team of professional architects, interior designers, landscape architects, planners, civil, structural, electrical and mechanical engineers has experience with projects in the fields of higher education, defense, homeland security, criminal justice, transportation, recreation, environmental protection, and historic restoration.
