**MMM DESIGN GROUP APPOINTS HERBERT TO BOARD OF DIRECTORS**

**Norfolk, Va**—MMM Design Group is proud to announce the appointment of Thomas P. Herbert, PE, to the board of directors.

Herbert has more than 30 years of engineering management, business development, environmental compliance, and construction management experience. As MMM's Director of Business Development since 2002, Herbert is responsible for identifying and developing new clients and opportunities for the firm, and plays an essential role in determining the strategic direction of the firm. Herbert is a civil engineering graduate of Virginia Military Institute and a master's of business administration graduate from the College of William and Mary.

MMM Design Group is a full-service architecture, engineering and planning firm headquartered in Norfolk. The firm's multi-disciplined team of professional architects, interior designers, landscape architects, planners, civil, structural, electrical and mechanical engineers has experience with projects in the fields of higher education, defense, homeland security, criminal justice, transportation, recreation, environmental protection, and historic restoration.
