CAREY JOINS MMM DESIGN GROUP AS SENIOR ARCHITECT

NORFOLK, Va—Randall O. Carey, AIA has joined MMM Design Group as a senior architect.

Carey, an architectural design graduate of Miami University in Oxford, Ohio, joined the firm this October. He brings MMM over 20 years of experience that includes design, programming, project management, and construction administration.

Most recently, he served as the senior architect and a project manager for Desman Associates in Vienna, Va. Previously, he worked as a project manager for Glenn & Sadler Engineers & Architects in Norfolk, Va and Krummell & Associates in Virginia Beach, Va.

MMM Design Group is a full-service architecture, engineering and planning firm headquartered in Norfolk. The firm's multi-disciplined team of professional architects, interior designers, landscape architects, planners, civil, structural, electrical and mechanical engineers has experience with projects in the fields of higher education, defense, homeland security, criminal justice, transportation, recreation, environmental protection, and historic restoration.
