**MMM DESIGN GROUP RECEIVES HRACRE DEVELOPMENT DESIGN AWARDS**

**Norfolk, Va.**—MMM Design Group is proud to announce that it has received the Best Recreational/Entertainment Award of Merit for its recently completed project, 31 Ocean Garage and Park, from the 2005 HRACRE (Hampton Roads Association for Commercial Real Estate) Excellence in Development Design Awards.

MMM provided architecture and engineering design services for the 1,050-car parking garage and oceanfront park. The design of the garage includes 26,000 sq. ft. of retail space on the ground level, while the park includes a statue of King Neptune and an amphitheatre with a grassy seating area for pedestrians.

MMM is proud to be recognized with this honor from HRACRE and looks forward to a continued connection to the positive development of the Hampton Roads area.

MMM Design Group is a full-service architecture, engineering and planning firm headquartered in Norfolk. The firm's multi-disciplined team of professional architects, interior designers, landscape architects, planners, civil, structural, electrical and mechanical engineers has experience with projects in the fields of higher education, defense, homeland security, criminal justice, transportation, recreation, environmental protection, and historic restoration.
