**PENLEY RECEIVES REGISTERED ARCHITECT LICENSE**

NORFOLK, Va.— MMM Design Group congratulates Sherry L. Penley, RA, LEED AP, on passing the Architect Registration Exam. This honor has earned Ms. Penley the Registered Architect accreditation from the Virginia Board of Architects, Professional Engineers, Land Surveyors, Certified Interior Designers and Landscape Architects.

Ms. Penley has 14 years of design experience and is a University of Texas graduate. In addition to her design and project coordination experience, she also volunteers her time with the local Destination Imagination program and the Construction program benefitting the area food bank.

With this certification, Ms. Penley has proven her mastery of all required services for the practice of architecture. MMM is proud of Ms. Penley's accomplishments and looks forward to many more throughout her future.

MMM Design Group is a full-service architecture, engineering and planning firm headquartered in Norfolk. The firm's multi-disciplined team of professional architects, interior designers, planners, civil, structural, electrical and mechanical engineers has experience with projects in the fields of higher education, defense, homeland security, criminal justice, transportation, recreation, environmental protection, and historic restoration.
